

## Technical Data Sheet

Page no.1

### PRODUCTS & INTRODUCTION

Products Type	: R192
Backing Material	: Poly/Cotton 65/35, Y, X wt
Bonding	: Resin over Resin
Mineral Type	: Premium Al <sub>2</sub> O <sub>3</sub> (Heat treated, Tough)
Coating State	: Closed coat, Size coating with an active filler
Manufacturing Width	: 1350mm

### AVAILABLE GRIT

Grit	16	24	36	40	50	60	80	100	120	150	180	220	240	280	320	360	400	500	600	800	1000	1200

	◀ Rough Grinding															Finishing (Polishing) ▶						

- Introductory Remarks    ● : Standard Grit    △ : Non Standard Grit

### ADVANTAGE

- High performance
- Long life
- Suitable for all kinds of metal working

### OPERATION / APPLICATION

- Wet or Dry Sanding
- Deburring , Degating of a casting, Surface finishing
- Wide & Narrow belts, Discs, Flap discs.

### WORKPIECES

- Carbon Steel
- Nickel Alloy
- Tool Steel
- Stainless Steel
- Nonferrous metal

### AVAILABLE SANDER / GRINDER

- Back Stand Grinder
- Wide & Narrow Belt Grinder
- Portable Belt Grinder
- Planetary Grinder
